

Update

Spring Term 1

January 2010

Welcome Back

The weather has created some upsets at the start of term but it has also provided opportunities to create some lovely snowmen created on Wednesday.

Thank you for your patience and support over these difficult days. Your understanding is appreciated.

If you did not get a Call Parent message, please could you let the office know so we can check against the system's delivery report.

Weather next week

The forecast is not good for the next week. However as always our approach is to stay open if possible. Lessons are planned and there is a lot to achieve. If we are forced to close we will follow the same procedure using Call Parent to provide you with information. Closures are announced on Radio Solent and on the council website.

New Years Resolutions

This is the time of year for new resolutions so I wondered if I could suggest a few:

- Dinner money to school on Monday, with correct amounts and, if possible, cheques
- Trip money returned with slips and on time.
- Changes of address- please let us know especially telephone numbers.

Thanks

A massive thanks to the parents who contributed to the staff 'Winter Warmer' Christmas present. It was a lovely idea and made everyone feel really appreciated. Also thanks to parents for their individual gifts to staff.

Thanks again to Mrs Hastings for her hard work over the festive period.

Requests

If you have a dad's shirt you can spare, it will make a fantastic Art Overall. Please send them in to school as soon as possible.

Parking Vouchers

A huge thanks to those parents who have helped so far. It is a fantastic help. Any more contributions would be gratefully received.

Congratulations

Christina Munford for her excellent poem.

Eddie and Oscar in Year 5 for their creative writing.

A reminder on uniform from a previous update

The guidance on earrings has been changed by the authority. The new instructions are that earrings must be removed for PE so please don't let your child wear an earring until you know they will be able to remove it themselves or remove them at home on PE days. We suggest that new earrings are fitted at the start of the summer holiday.

School uniform policy also states that trainers are not school uniform.
