

Update

Spring Term 3

February 2010

Global Rock

The big day, March 7th, is approaching. The rehearsals are going really well and the whole concept is great. In fact the whole production looks exciting. A huge thanks to Miss Hughes and Mrs Beecham; they have started something really good. Tickets are available to all on **(023) 8063 2601**. All the signs are that this is going to be a big event with lots of schools. Ideally to support the school, and cheer a bit, a big home crowd is needed so bring your friends and family support the children and have a good Sunday night on March 7th. Stage crew are still needed and 2 more wall paper tables.

Morning Arrival times lates

Just to let you know we will be carrying out a survey on late children and following up with letters. We are trying to identify if there is a family pattern. One off lates do happen but please can your child be on time. It really disrupts the start of the school day for the rest of the class, the teacher and the school routine.

Lunches

A quick reminder that children who have packed lunches need to have a drink with them in the lunch box.
