Parents Evening on 15th October

Please make sure you have returned your appointment slip. Meetings are between 3.30 and 7.00 p.m. It is very important to meet your child's teacher at this stage of the school year.

IMPORTANT MESSAGE FOR PARENTS

If you bring your children to school by car, please drop them off in Mount Pleasant Road outside the school, NOT in Imperial Road.

The new entrance to the playground has been in use for nearly a month. Children now access the playground directly from the street in Imperial Road. This is a much better and safer arrangement than before. I am pleased to see children are using the usual safe crossing place supervised by Mrs Baker. There are some children who still have to cross Imperial Road and are doing so very sensibly. However I am concerned for the safety of those children. Traffic can be quite heavy in the morning and parked cars in Imperial Road make crossing the road even more dangerous for our children. The local authority has promised to paint zig-zag lines outside the school in Imperial Road to keep the road clear and safer for our children to cross.

Until this happens it would be very helpful if parents could avoid dropping children off outside the gate in Imperial Road.
