Emergency School Closure

Dear Parents,

School Closed Wednesday, 24th & Thursday, 25th November

Your child may have come home and mentioned the smell around the school or you may have noticed it when you dropped off or picked up your child today.

The smell is associated with a problem in our basement area.

I have been advised by the Environmental Health Service from Southampton City Council that the school should be closed whilst work is completed on the basement. The work will commence tomorrow and it is hoped it will be completed within two days.

Please phone **023 8022 3634** after 4:00 p.m. on Thursday to listen to a message which will advise you if the school will reopen on Friday.

Yours sincerely,

Rob Griffiths
Headteacher
